

CELEBRITY NEWS: EMMY AWARDS A GREAT NIGHT FOR JEWELRY

Los Angeles, CA—The 64th Primetime Emmy Awards on Sunday showed that fine jewelry is more than ready for prime time. Stars up and down the red carpet sparkled in a variety of gems. Here's who wore what:

Supermodel Cindy Crawford once famously remarked that even she doesn't wake up looking like Cindy Crawford.

Actress **Allegra Riggio** wore **Erica Courtney** jewelry to the event and to other parties

around the Emmys. CW's "Oh Sit!" host, **Jessi Cruickshank**, also wore the designer's jewelry while covering the Emmy red carpet for CTV's "etalk" entertainment show. Riggio wore Courtney's platinum and diamond moonstone cabochon ring, and 18k gold and diamond moonstone drop earrings. Cruickshank wore platinum and diamond "Flower Cross" earrings on "Mary Marquis" hoops, a platinum and diamond "Charlotte" ring, and platinum and diamond "Ellen" bands.

But the red carpet isn't only about big brands. **Underwood's Fine Jewelers** in Fayetteville, AR had a rough colored diamond bracelet placed on **Access Hollywood** reporter **Shaun Robinson**. The placement happened through AGTA, Craig Underwood told *The Centurion*.

AGTA also placed a pair of **Dallas Prince (Dallas Prince Designs)** Aqua and Diamond earrings that Shaun Robinson wore with her diamond bracelet from Underwood's.

Jamie-Lynn Sieglar (aka Meadow Soprano) wore Le Vian for the Emmys.

Emmy nominee **Mayim Bialik** wore a custom-designed palladium mezuzah necklace by **North American Jewelers** to the Emmys.

The actress was nominated for Outstanding Supporting Actress in a Comedy Series for her role on *The Big Bang Theory*. Her one of a kind necklace showcased a mezuzah pendant in a tear drop shape with a diamond and sapphire stone—the colors of the Israeli flag—accenting the design.

"Operation Mozi Mezuzah", allowed Bialik to be hands-on in the creative process from beginning to end. She and her stylist, Alison Kahn, worked closely with the Palladium Alliance and North American Jewelers to create a custom mezuzah pendant to celebrate her Jewish faith on the red carpet.

Mayim Bialik helped design the palladium, diamond, and sapphire mezuzah pendant she wore for the Emmys.
